

Dear Thompson Manor,

Rob and I want to thank you for hosting our wedding. I cannot tell you how many people came up to our family members and gushed about the Thompson Manor and your tremendous hosting skills. The phrase, "You've got to be kidding!"

was the theme of the wedding weekend. Why? The amazing venue, great food, the impeccable service. I think the clincher was the arrival of the 6 ft. subs - that's when the phrase was born.

I cannot thank you enough for making our wedding weekend amazing, unforgettable, and joyous. Thank you,
Kathy & Rob
