

Dear Andrew + Jackie

Thank you for a wonderful wedding weekend at LTM. We enjoyed every moment and appreciate everything you did to make the event special. You went above and beyond to make guests comfortable in the intense heat - the ice towels, the foot baths, the flipflops - all unexpected and all very thoughtful. →

And then there was the food, which was fabulous. The apps were never-ending and the dinners were cooked to perfection (much better than the tasting event). Rick did a great job keeping me informed of the bar tab + keeping our guests in check ☺. It was just so nice to come to LTM, where everything is "just taken care of" - from wilty ivy to small centerpiece lamps - you had it covered. We're honored to be guests in your home.

Take care, Karen + Jonathan
